# Forward

**Current Affairs** form the binding thread for the **UPSC CSE**, yet one of the most difficult areas to master. Its importance stems from the fact that at every stage, i.e. prelims, mains and interviews, the knowledge and understanding of current affairs are tested both directly as well as indirectly. This makes it the most crucial aspect of the exam and the most critical skill to develop. Here come **GS SCORE's current affairs classes for Prelims 2023**, to make the road easy for you by **covering 800+ topics** through tests, classes and enriched study material. Our approach blends concepts with contemporary dimensions including important documents like budget and economic surveys, various reports and findings. A classic blend of facts, concepts and current affairs to make you a winner in Prelims 2023.

# OUTCOME of the Programme

## Performance Improvement

By providing complete coverage of Current Affairs, this special course would boost the exam and chances of selection.

## Assessment

Through regular tests and monitoring, the course will help students to assess their knowledge and scope of improvement.

## Conceptual Clarity

Students would not only learn about current affairs, but they would also develop perspective and conceptual understanding for the subjects.

## Effective Organization & Utilization

The course would help to organize your knowledge effectively and its further utilization in all spheres.
