◉ What is this program GS MAINS QIP all about?

This is a complete value addition program for GS Mains 2023. It will cover last two years contemporary issues and key topics of GS Mains Paper III, II, I. Apart from the key topics that are directly mentioned in the UPSC syllabus, many sub-topics that lies in the periphery of such topics will also be covered in contemporary context. i.e.

- ▶ Contemporary issues of last 2 years;
- ▶ Contemporary political development;
- ▶ Key issues and agenda of government;
- ▶ Vital development in World Affairs;
- ▶ Issues related to Economic development and related current affairs, agriculture, resources and infrastructure, industries; etc.
- ▶ Economic Survey & Analysis
- ▶ Important development in various fields;
- ▶ Key environmental concerns and management;
- ▶ Coverage of Previous Year Questions and Approach Discussion.

The topics mentioned in the syllabus are generally broader in nature which covers many inter-linked dimensions. This course has been designed to help students in developing an integrated approach.

◉ Study Material:

Hard copy of Comprehensive study material designed especially for quick revision will be provided. The study material will also cover the topics from Newspapers, Yojana, Kurukshetra, India Year Book, Government Reports, etc. It will cover contemporary topics from the past two years.

◉ Schedule

After prelims there is always shortage of time. It is a comprehensive programme which will run for 4.5 weeks only. For complete and powerful delivery, course has been designed such where classroom teaching is supplemented with concise study material. In this way we will be able to deliver huge pool of content in a stipulated time.

◉ Answer Writing Session

Answer writing sessions will be held at equal intervals to teach candidates the art of writing a good answer. Answer writing session will be held after each topic.
