Personalised Mentorship

One to one **Guidance and** personalised feedback from faculties.

1.5 YRS.

WEEKEND HYBRID PROGRAMME TO SYNC YOUR IAS PREPARATION with COLLEGE STUDIES

Answer Writing

Through regular **Answer Writing Practice and Prelims Test** series.

Innovative Weekend **HYBRID** (Offline & Online)

NCERT Classes

To cover and map the concepts of old & new NCERT books in sync with UPSC **Syllabus**

Weekly **Current Affairs Classes**

To understand the dynamism of current issues.

GS **Foundation Classes**

Coverage of all the subjects of GS & **CSAT for Prelims,** Mains

Seeing the desire among the students to get into Civil Services and acknowledging the advantages of early starters, we have curated a programme to suit the requirement of the undergraduate students.

GS Score Foundation Weekend Hybrid Programme is designed in such a way that it fits comfortably with the college schedule and allows students to effectively utilize the time to achieve their aspiration of becoming a civil servant.

Programme Design & Delivery

Programme has been designed with innovative methodology to provides the best of both online and offline Experience

Classes will be conducted in hybrid Model i.e. Online (Recorded) and Offline(Classroom/Live)

Online classes will cover basic and routine concepts of the syllabus, while highly relevant areas requiring special depth will be covered through offline/live sessions along with enrichment on the covered portions in the online sessions.

Recorded video lectures to be uploaded on every Monday focusing on concept building.

Offline/live Class will be held on every Saturday (4 hrs) & Sunday (2 hrs) to enrich the covered portion in recorded sessions along exercise and PYQs discussion.

On every Sunday Revision exercises will be conducted through answer writing modules for gradual assessment and improvement in Presence of Mentors.

Current affair classes covering all the important issues of the week are to be conducted on Weekends and will be available online in students' accounts.

Static/contemporary study material will be provided in sync with videos lectures of the week for self-learning and supplementary reading

NCERT Classes

NCERT Classes for IAS Exam will provide a well-planned and structured preparation strategy to lay a strong foundation through:
