WHY SOCIOLOGY OPTIONAL

01

Sociology optional is one of the high scoring and often chosen optional subjects in UPSC CSE.

02

The nature of the syllabus and its significant overlap with GS Society, Ethics, and in small measures other GS papers renders it a unique quality of being a super subject.

03

It is a social science and is popular with humanities students. Since it is easy to understand, even science background students can attempt it safely.

04

It helps with the essay paper since generally at least one essay is asked on social issues. It will also help in the interview round.

ABOUT FACULTY

In GS SCORE the **Sociology Optional** classes for UPSC mains is under the guidance of **Smriti Rao Mishra**. She has a close affinity with the Sociology discipline. Having pursued her **academic career in Sociology with Masters at Delhi School of Economics**, her passion for the subject has grown by leaps and bounds. She mentored numerous UPSC aspirants in the decade long journey. Her role as a faculty comes to the fore, having understood the needs of students, bottom up. Through her interactive and immersive classes she yearns to make Sociology optional accessible and approachable for aspirants coming from diverse academic backgrounds.
