## WHY HISTORY OPTIONAL

**01**

If you are the one curious to understand the past and want to analyse how our past shaped the present and how it could have been different, then history as an optional for UPSC Mains is your subject. History is among one of the most popular optional subjects for Civil Services Mains Exams.

**02**

The subjects have dual benefits both in UPSC prelims and mains of general studies papers. Every aspirant needs to cover most of the parts of History in GS including Ancient, Medieval, Modern and World History.

**03**

Like other optional papers, History is not technical at all. One does not need to study about many theorists, scholars and philosophers. History as an optional has a success rate of 8.5% as per UPSC annual reports. Some topics in history will also be helpful in the essay & paper-4 of General Studies.
