Mode of the Classes will be Offline & Online (Live).

Online students will have option to interact with the faculty in live class

Prelims tests and Answer writing will be conducted on Saturday

Along with classes students will get compact material covering weekly Issues

FAQs

? What is GS Analyst all about?

This course aims to provide the right approach to prepare Current Affairs along with the static part.

? Why Current Affairs?

UPSC is said to be one of the most dynamic examination of the country. It is said so due to the infused Current Affairs. In this exam, current affair is virtually nowhere but in reality, it is sprinkled everywhere.

? How Current Affairs is sprinkled in GS?

The dyke of current affair is so strong that it enters even core static portions such as World History and Ethics. Even a major part of UPSC syllabus (Science & Technology, Governance, etc.) is glued into current affairs. Sometimes, it becomes impossible to make a distinction between static and dynamic part.

? Why ONLY Current Affair is not sufficient?

Only current affair can never be the complete solution in UPSC as for the basics and core part, General Studies is necessary.

? How this course will help?

GS Analyst traces the entire syllabus of GS through the lens of current affairs. Thus, it will give an edge for the examination by providing a complete solution.

? Who can enroll?

This unique course is especially recommended for aspirants who want to have complete command over Current Affairs along with GS Papers and Essay.

SUCCESS IS A PRACTICE WE DO!
