The Hybrid IAS Foundation Programme is an innovative course designed for complete UPSC exam readiness. Combining flexible online classes with weekend offline live sessions, it offers the best of both modes. This unique approach allows aspirants to balance college or other commitments while ensuring comprehensive coverage of the UPSC syllabus. With a focus on maximizing outcomes and effective time utilization, the programme provides personalized mentorship and structured learning; ensuring aspirants are well-prepared for all stages of the exam.

## PROGRAMME DESIGN & DELIVERY

- 01** Programme has been designed with innovative methodology to provide the best of both online and offline Experience.
- 02** Classes will be conducted in hybrid Model i.e. Online (Recorded) and Offline (Classroom/Live)
- 03** Online classes will cover basic and routine concepts of the syllabus, while highly relevant areas requiring special depth will be covered through offline/live sessions along with enrichment on the covered portions in the online sessions.
- 04** Video lectures to be uploaded on every Monday focusing on concept building.
- 05** Offline/live Mentorship will be held on every Saturday (4 hrs.) & Sunday (2 hrs.) to enrich the covered portion in recorded sessions along with exercise and PYQs discussion.
- 06** On every Sunday Revision exercises will be conducted through answer writing modules for gradual assessment and improvement in Presence of Mentors.
- 07** Current affair classes covering all the important issues of the week are to be conducted on Weekends and will be available online in students' accounts.
- 08** Complete study material will be provided for self-learning and supplementary reading
