PROGRAMME OVERVIEW

Previous Year Questions (PYQs) are pivotal for excelling in the Optional Subjects. PYQs not only reveal important trends, crucial high-value areas, and question patterns, but also offer insights into what UPSC truly demands from candidates. Our **25 Days UPSC Optional PYQ Decoder Programme covers PYQs of Anthropology Optional** through key themes, helping you identify recurring topics and patterns across both papers. This thematic approach ensures a deeper understanding of the questions and equips you with the skills to craft precise, high-scoring answers aligned with UPSC's expectations.

Why Join?

Master PYQs: Learn to decode Anthropology PYQs with detailed trend analysis.

Theme -Wise Insights: Understand recurring themes, technicalities, and key areas for each paper.

Answer-Writing Mastery: Develop strategies to tackle different types of questions effectively.

Real-Time Answer Writing Practice: Write answers during live sessions and receive immediate feedback.

Mentorship & Feedback: Get personalized guidance from expert mentors and live feedback on your answers.

What You'll Get?

1. **25 Expert Sessions** to master both Papers of Anthropology PYQs.

2. **Real Time Practice** after each Sessions

3. **Dedicated Sessions** for Answer Writing Development.

4. **Wholesome Coverage** (2016-2024)

5. Full Access to **500+ Toppers' Copies**

6. **Practice Tests** with **Personalized Feedback**

COURSE DELIVERY

01

THEMATIC PYQ COVERAGE

The course will cover PYQs from Papers 1 & 2 by grouping them into key themes like Theories, Socio-cultural, biological, Tribal etc. This thematic approach will help you identify patterns, recurring topics, and important trends in Anthropology.

DECODING UPSC'S DEMAND

02

You will be trained to decode the trend, type, and pattern of questions, ensuring you understand exactly what UPSC expects from your answers. Techniques to approach factual, analytical, and diagram-based questions will be covered.

03

INTERACTIVE & PRACTICE-ORIENTED CLASSES

Each class will focus on real-time discussion and solving of PYQs, with immediate doubt clearing and active participation to enhance your analytical skills.

POST-CLASS WORKSHEETS

04

After every class, you'll receive a practice worksheet containing model answers, additional questions, and case studies based on the day theme to enhance your learning and preparation.

05

FOCUSED WEEKLY SESSIONS

Classes will run from Monday to Friday, each day dedicated to one specific theme for in-depth coverage, including geographical models, theories, case studies, and laws to refine your perspective-building.

MENTORSHIP & REVISION

06

Weekly mentorship sessions for revision and doubt clearing, offering personalized guidance to improve your answer-writing skills and clarity on geographical concepts.

07

PRACTICE TESTS

Practice Tests will be conducted after completion of key themes – one each for Paper 1 and Paper 2, focusing on recent PYQs and newly framed questions to strengthen your preparation.

ACCESS TO MODEL ANSWERS

08

You'll also have access to model hints and Topper's copies for practice tests, enabling you to refine your answer writing and structure. Model diagrams, charts, maps, and schematics will also be provided to enhance your diagrammatic representation skills.
