2, 3 & 4

PROGRAMME OVERVIEW

PYQs are crucial for cracking UPSC Mains, revealing important trends and question patterns. However, decoding them to grasp what UPSC truly demands is challenging. Our 30 Days UPSC Mains PYQ Decoder Programme cover Previous Year Questions (PYQs) through key themes, helping you identify recurring topics and patterns across all GS papers. This thematic approach ensures a deeper understanding of the questions and equips you with the skills to craft precise, high-scoring answers aligned with UPSC's expectations.

01

WHY TO JOIN

- **Master PYQs:** Learn to decode UPSC Mains questions with detailed trend analysis.
- **Subject-Wise Insights:** Understand recurring themes and key technicalities for each GS paper.
- **Answer-Writing Mastery:** Develop the perfect strategy to tackle different types of questions.
- **Real-Time Answer Writing Practice:** Write answers during live sessions and receive immediate feedback
- **Mentorship & Feedback:** Get personalized guidance from expert mentors and live feedback on your answers.

02

WHAT YOU'LL GET

- 30 Expert sessions to master GS Mains PYQs
- Real time practice after each sessions
- Special Sessions to Master philosophical essays and case studies
- Model Answers of Mains PYQs (2015-2024)
- Full Access to 500+ Toppers' Copies
- Practice Tests with Personalized Feedback

COURSE DELIVERY

01

Thematic PYQ Coverage: The course will cover PYQs across all GS Papers by grouping them into themes, helping you identify patterns, recurring topics, and important trends in UPSC Mains.

02

Decoding UPSC's Demand: You'll be trained to decode the trend, type, and pattern of questions, ensuring you understand exactly what UPSC expects from your answers.

03

Interactive and Practice-Oriented Classes: Each class will focus on real-time discussion and solving of PYQs, with immediate doubt clearing and active participation.

04

Post-Class Worksheets: After every class, you'll receive a practice worksheet containing model answers and additional practice questions on the day's topic.

05

Focused Weekly Sessions: Classes will run from Monday to Friday, each day dedicated to one subject as per the session plan for in-depth coverage.

06

Friday Mentorship & Revision: Fridays will be reserved for revision and mentorship, offering personalized guidance and doubt clearing to improve your answer-writing skills.

07

Weekly Sunday Practice Tests: Every Sunday, a practice test with 10 questions will assess your understanding of the week's topics, helping you track your progress.

08

Access to Model Answers & Toppers' Copies: You'll also have access to PYQ model answers and toppers' copies for reference, allowing you to refine your writing and structure.
