## LEVEL-WISE QUESTIONS

The evolving nature of the UPSC Prelims Questions can be tackled through the level-wise practice of questions. The following levels are:

### LEVEL: 1 ELEMENTARY

Though constituting only 10% in prelims, Questions are easier to solve. Such questions came directly from relevant and popular sources and require a very basic understanding of factual awareness.

### LEVEL: 2 APPROACHABLE

Questions from this category are relatively approachable given the candidate has good command over basics and has revised well.

### LEVEL: 3 REAL CHALLENGE

It will test your thoughts, core and depth for a subject/topic. It warrants interlinked and dynamic understanding.

### LEVEL: 4 IMCAPACITATED

Questions from this section are Vague, and not found in regular standard sources, everything under the sun can be asked. Intended to maximize your negatives. It's better to leave such questions.

#3

## SECTIONAL TESTS

### Assessing Subject Proficiency – 'Holistic Performance Evaluation'

The sectional tests will help you analyze your overall performance in each subject. The questions in these tests will be a great mix of static along with current events associated with each subject. Each sectional test will be of 100 questions.

#4

## CURRENT AFFAIRS TESTS

#5
