Course **FAQs**

What is the programme all about?

Mains Test Series is specially designed programme for students who are appearing in main 2022. It will help students in checking one's preparation level as well as the status of time and speed management. It gives aspirants an idea about writing an articulated answer in sync with the conceptual requirement of the question asked.

Who can get enrolled in this course?

It is beneficial for both the fresher's and experienced as it will provide broader scope for answer writing practice with respect to both Core Conceptual as well as interdisciplinary approach of the syllabus.

How discussion classes will be conducted?

There will be coverage of concerned syllabus area along with each question. Instead of merely discussing the answer, which is already present in the detailed hints provided, we focus on conceptual clarity and broader discussion on the issue, sometime also covering alternate questions on same topic.

Why One on One Discussion after copy evaluation?

General perception of joining any test series by aspirants is evaluation & assessment of their preparation. But after assessment, improvement in marks is also important. We conduct one on one interaction with concern faculty after copy evaluation of every test. While interacting with faculty aspirants get an idea How to improve marks in a particular question. As the whole game and grammer of UPSC is in and around improvement of half marks & one marks.
