# PROGRAMME OVERVIEW

When Ethics was introduced for the first time in UPSC, two prominent trends emerged in the stream. One trend focused squarely on core technical substance of Ethics picking up materials from top Universities of world. And, another trend focused entirely on layman's world of Ethics.

**GS SCORE under guidance of Manoj K Jha** chose the balanced path making a juxtaposition between the either extremes. We banked upon a customised course pedagogy maintaining a perfect blend of "multiple aspects and dimensions of Ethics".

We draw immense sense of satisfaction that since the advent of Ethics, we have maintained domination among the aspirants. Every year, almost all the top gainers in Ethics **have been part of GS SCORE**. Analysis of UPSC Result 2019 has even elevated the status of Ethics to next level. It has been observed that Rankers have notched top Ranks only on the basis of Ethics. Ethics now stands among three strong pillars including Optionals and Essay.

Scoring high in Ethics is easy to say but difficult to execute. It demands a "basket strategy", where different approach is required for different bits of syllabus. We at GS SCORE, with proved track record of years of result, are going to launch a **complete comprehensive course** on Ethics. The course is a complete package and **one stop solution** including comprehensive lectures, Mock Tests, Test discussions and doubt clearing sessions. With judicious investment of part of 35 days, you can secure a major share of Marks in Mains.
