PROGRAMME OVERVIEW

GS SCORE is pleased to give the aspirants a five-month comprehensive Course/Test Series which will cover every aspect of the UPSC Mains Law Optional preparation. The course will start around the end of August, a detailed schedule for the same to be released to the aspirants.

This comprehensive course is carefully designed to look into the aspirants who are from the legal background as well as the aspirants who are from non-legal background. This comprehensive course would look into all the aspects of the syllabus and detailed in-depth material would include the research and material from constituent assembly debates, Latest and landmark case law analysis. Entire syllabus will be covered with the help of the Case laws and bare acts. A comprehensive course material will be provided for self study to the students. There will be a detailed Discussion of UPSC previous year Law optional papers & also all the expected topics for Mains 2022.

A total of 24 Tests, 22 Topic wise Tests and 2 Full Tests will be conducted in the period of 5 months. The test series will start with least difficult tests in order to build the understanding of the law optional. That will be covered in the first part of the Test series which will include initial 8 tests. This would especially take into consideration the non-law background students. After building the background for the first eight weeks, gradually the difficulty level for the tests will be increased. Next 7 tests would be more hard and all the specific topics of the syllabus through quotations and judgements would be covered, this portion of the course would look into the question which are asked in the previous years. Last 7 tests would be the toughest and here the tests questions would ask the specific quotes being made in any judgements and critical analysis of just one segment of the judgement would be asked or the question which are similarly difficult. This part of the course would explore the possibilities for the 2022 mains law optional examination about the expected questions which might come.
