PROGRAMME HIGHLIGHTS

-
- Prelims is all about managing micro detailing of subjects & handling negative marking. As aspirants tend to get confused about what to study and how to study (i.e. up to what level/extent) for Civil Services Prelims, this programme has been designed to help students to cover whole syllabus effectively within a stipulated time and also have an assessment through test series.
-
- This programme covers the complete syllabus including - History, Geography, Polity, Economy, Science, Environment and Current Affairs with the correct mix of Fundamental and Advance level of study to cover micro detailing of sub-topics & current developments.
-
- 44 Days Concept cum Revision Classes for covering basic concepts. In each session there will be a test of 50 questions (based on the topics given in schedule) followed by Class to cover basic aspects of each topic and approach to handle questions.
-
- The idea behind taking test before classes is that, first students should brainstorm on the given topics through the test to find their strong and weak areas. Then a class on same topics will provide a conceptual clarity that helps to revise the topics twice on the same day.
-
- 17 days Current Affairs classes covering last 2 years current topics/issues supplemented by notes.
-
- Current Affairs Classes will also include updates on Indian Year Book (IYB), PIB, Budget and Economic Survey.
-
- Special Classes on Mapping (World & Indian Geography).
-
- Prelims Test Series including 15 Mock Test and 8 Current Affairs Tests.
-
- Complete Prelims Study Material & Prelims Current Affairs Material will also be provided (It will cover Current Affairs of past 2 years).
