This has led scholars like Februard justure to proclaim that is hegemony is there Ito stay bor some decades atleast.

I rosmopolitan madel of democracy refers to a situation where people across the globe are partitipants in the affairs of the globe regardless of their national identity and geographical location. They enercise this sight in parallel with their rights to participate their national governance. The idea is based on views of cosmopolitan scholars such as Thomas Pogee, D. Singer, who believes that every individual has equal moral worth. They telieve that every person of the would owes obligation too every other person of globe regardless of their national, cultural of ethnic identities.

(osmopolitan democracy seeks to found solution to global sufferings as a whole

rather than distinct countries. is advocated in some degree by scholarls like Habermas, also. Robert Dahl, however believes that demoney (10) decreases with size of entity, however it is mot always born out by backs. Egiven the global nature of problems and by meed for global- coordination to solve problems like televism, climate change etc. it is necessary to promote a rosmopoliton opproach to democraty (e) The Weekan informal summit between Chinese Russdent and Indian Rime Mistale brought out significant out comes. ) Both leaders issued strategic directives to their militaries to ensure peare and tranguistity along Inde-China boudets

4) Both counties officemed their commitment to a multilateral sales based international trade order and democratisation of institutes of global governance. India- China agreed to frintly wach won on economic projecte in Afghanistan, this sends significant message to fatistan, which wants "zero" role for India in Afghanistan. a) Both countries condemned terrorism in all forms and vowed steps to eliminate terroism, strengthen the counter-terroism 10-operation. As per India's Ambassador to clina, most important outcome of Wuhan Summit is recognition that India-Clina areas of mutual interest out weight their differences and both com work together as partners in dering the regional growth.

Reasons fou diplomatic failures in Connecting with Latin America. 1) Connectivity issue due to immense geographical distance between India and Latin America: 1) Tack of appreciation and publishing of India's potential offering in areas of technology, Information technology ey. 1) Decline in US-Russia relations, pushes Russia more towards thing and Pakistan to seek alternative partners. China-Pakiston are already in a de-bacto rexus to contain India. Enamples joint violitary enercise with Patistan, Russian support of China's Belt and Road Institutive (3) 9) Tended US Russia relations also somes in 8) way of India's ambition to get demanent to seat at UNSC, as both of them are permanent veta holder members. pence, it is India's interest that Us- Russia relations improve which will provide guater strategic blenstistity to India. India con also consider using its good relations with both to lessen the tensions between US and Russia 9 India has adopted a No-first use Policy (NFU) in its nuclear dortine,

It is susported on following grounds: 1) It showcases India as responsible nuclear power, enhances its diplomatic cedentials. 2) It points out that India's acquisition of nuclear weapons was defensive and not agressive 3) Revising India's Muchan doctione will weather India's claim to permanent member ship of UNSC, Mulia Suppliers Group. a) Scholars like M. K. Narayanan believe that no-first rese policy serve as effective deterrent ilm itself hence need not be revised. However, their are equally strong arguments fortourly resistion of India's nuclear policy doctime: As pointed out by M. Keistensen, takistan is

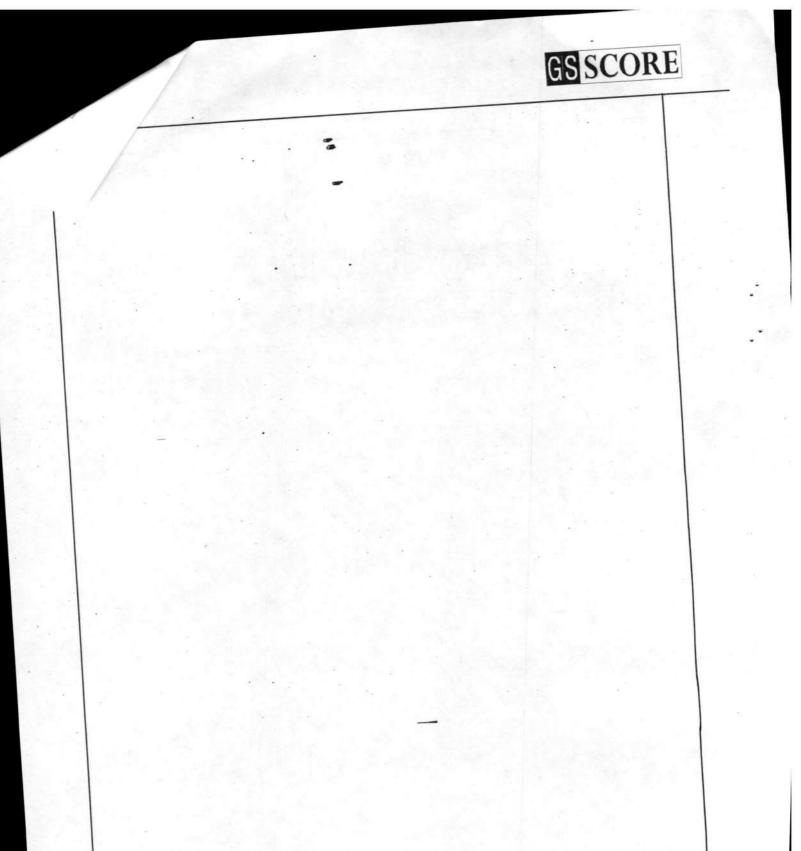

deploying tactical muslear weapons along the India-Pakistan bacater, and India connot respond to these weapons with rese of strategic nuclear weapons. 4) Ouestions have also been saised that whether India possess requisite strength to actualise its second strike rapalishing. 3) India had already servised its muchan doctline once, whereby, it now pottess chain to retaliste themical and hirological weapon attack with nuclear weapons. of scholars like Tayant Frasands, believes India should move bream "minimum creditile, deterince to " redible minimum deterence" approach to ensure effective setaliation. Some scholars argue that No-finst use do not

acte as effective deterrent as it gives adversary surety of India's non-like of mulear weapons, tutule adversary itself has breedom to use nuclear weapons against India. 1) USA had also sevised its Muchan Posture Review, where it had widered the definition of catastrophic incidents, where it can retaliate with low intensity nuclear weatons. Given above suguments, perhaps it is time for India to revise its multar doctine to make it more relevant to serve India's security interest in a changed when India framed its nuclear doctine per first time (2005) of the period of the perio
